## PERFORMANCE BRAKE UPGRADE KIT

**Bendix**

New **Bendix Ultimate+ Performance Brake Upgrade Kits** are available for popular sports & performance cars. Featuring advanced brake pads and disc brake rotors, braided lines and a host of ancillary items, the **Ultimate+ Performance Brake Upgrade Kit** gives you better braking performance for race, track or street.

This comprehensive kit includes specially compounded high performance **CERAMIC** material brake pads for increased stopping power in extreme conditions plus the latest **Bendix Ultimate Rotors** designed and developed specifically for performance applications.

### ULTIMATE+ DISC BRAKE PADS

FEATURES:	BENEFITS:
<b>Ceramic Material</b>	<ul style="list-style-type: none"><li>■ Low dust, low noise</li><li>■ High temperature stability</li><li>■ Excellent fade resistance</li></ul>
<b>Designed for Slotted Rotors</b>	<ul style="list-style-type: none"><li>■ Works best with slotted rotors</li><li>■ Confident stopping in all conditions</li></ul>
<b>Blue Titanium Stripe</b>	<ul style="list-style-type: none"><li>■ No bedding-in required. Improved pedal feel from the first stop</li></ul>

### ULTIMATE DISC BRAKE ROTORS

FEATURES:	BENEFITS:
<b>Diamond Tip Slot</b>	<ul style="list-style-type: none"><li>■ Allows gasses to escape in heavy duty driving, delivering consistent output</li><li>■ Better self cleaning for off road conditions</li></ul>
<b>High Carbon Metallurgy</b>	<ul style="list-style-type: none"><li>■ Noise damping, thermal conductivity, improved durability and increases brake performance &amp; stopping power</li></ul>
<b>SwiftFit</b>	<ul style="list-style-type: none"><li>■ Protective zinc coating which is ready to fit</li></ul>
<b>Pillar Construction</b>	<ul style="list-style-type: none"><li>■ Improved thermal stability</li></ul>

### ULTIMATE+ BRAKE HOSES

FEATURES:	BENEFITS:
<b>Braided line with protection sleeve</b>	<ul style="list-style-type: none"><li>■ Delivers a firm brake pedal, that won't over expand under high pressure</li></ul>
<b>Meets SAE J1401</b>	<ul style="list-style-type: none"><li>■ Compliant to international design standards, won't affect warranty</li></ul>
<b>Designed to fit</b>	<ul style="list-style-type: none"><li>■ Fits your application without any modification</li></ul>
